By: 
Lawrence P. Casson (Reg. No. 46,606)

AMENDMENT

S I R:

In response to the Office Action mailed February 14, 2001, Applicants respectfully request entry of the present amendment. This response is accompanied by a request for a three-month extension of time up to and including August 14, 2001, and an authorization to charge payment of the extension fee to Kenyon & Kenyon's Deposit Account No. 11-0600. If any additional fees are required in connection with the filing of this response, the Commissioner is hereby authorized to charge such fees, or to credit any overpayment, to the same deposit account.

Please amend the above-referenced patent application as follows:

IN THE CLAIMS:

The following claims are amended:

4. (Amended) An isolated nucleic acid encoding an immunogenic fragment of wth3 having from 7 to 25 contiguous amino acid residues of SEQ ID NO:12 and comprising within
